The Editor Says . . .

Do you think it's right to have an annual in wartime? This question is one that has come to us many times. So, before you look further into our book, let me express the staff's feeling about this. An annual is vital in the year 1944 because it is wartime, not regardless of war. The boys of the class of '44 are already leaving us here at home to go forth and serve their country. Yearbooks have always been more than a souvenir of school days; rather a tangible reminder to take with us to college or to some new home—but in the year 1944, they are more than that. In a world where there is no stability, no chance for a high school senior to plan his future with sureness, there is need for an anchor, something certain and traditional to which to cling. For 19 years O. H. S. has had a yearbook. This year we have published an annual which we hope will mean something special to you in this *world of fury*. We have worked harder than ever to give an accurate and pleasing account of our school and its activities. And so your annual staff—even with battling paper, film, and printing priorities—has enjoyed publishing this yearbook. May it preserve for you in years to come something dear and memorable—your high school days.

With Pride,

These laid the world away; poured out the red
Sweet wine of youth; gave up the years to be
Of work and joy, and that unhoped serene,
That men call age; and those who would have been
Their sons, they gave, their immortality.

Mr. Boone serves the community in more ways than one

W. R. BOONE

During these last twenty-three years, the name of "Bill" Boone has become known as, not only a very likeable and capable teacher of the Orange County school system, but also an interested participant in civic affairs, a leader in civilian defense work, and a believer in the higher ideals of American life.

Mr. Boone is an excellent principal, but that is not all. He also is a very good soldier. A veteran of World War I, Mr. Boone, especially since the outbreak of the present war, has played a very active and essential part as a First Lieutenant in Company D of the 4th Battalion of the Florida State Guard.

One look at Mr. Boone's desk discloses his true nature—his love for the out-of-doors and the simple blessings bestowed upon us—for it is always arrayed with the flowers from his cherished garden.

A learned man, Mr. Boone was graduated from the Wellsville, Kansas, High School. He attended Baker University, Baldwin, Kansas, and Pacific University in Forest Grove, Oregon. He worked for his bachelor of Arts degree at the University of Oregon, Eugene, Oregon; the University of Kansas, Lawrence, Kansas; and the University of Florida, Gainesville, Florida. Stetson University, DeLand, Florida, granted him his Master of Arts degree. Since he has been teaching school, Mr. Boone has never missed a single day's work.

Through his willingness to accept responsibility, his good advice, and his kindly spirit, Principal Boone has endeared himself to the hearts of all O. H. S. students.

RUTH E. MIER

In 1926 Miss Ruth E. Mier came from Pennsylvania to Orlando and that year started teaching in Orange County schools. She received her A.B. degree at Hood College and her Master of Arts in History at Stetson University.

For the past two years Miss Mier has filled the office of assistant principal with efficiency, lending her efforts at all times to make our school run more smoothly.

When she finds a bit of spare time, she, like Mr. Boone, turns her skill to gardening.

Miss Mier is always on the job

HENRIETTA PERLEY GROETSCH

Mrs. Groetsch, O. H. S.'s capable secretary, came to Orlando in 1936 from Washington, D. C., where she attended Eastern and McKinley High Schools. She also attended Orlando Vocational School.

Mrs. Groetsch has many hobbies, but her favorites are swimming, crocheting, knitting, and collecting greeting cards for her memory book. She also enjoys her work in the Cotta Circle of the Lutheran Church.

Although she has only been at O. H. S. one year, Mrs. Groetsch has become a real friend to many students.

Ready to lend a helping hand is Mrs. Groetsch

MR. SCHOFIELD

The Senior Class of 1944 will always be remembered as the originators of the "Tiger Den." This is the first time in the history of O. H. S. that any group has put into effect the idea of a Student Recreational Center. The first step in raising funds to furnish the "Tiger Den" was a dance given by the Senior Class on December 17.

During the class' sophomore year the two outstanding events were the Spring Dance and the May Day Dance—the first of its kind.

In its junior year the class sponsored the annual Junior-Senior Prom, Junior Day at Yowell-Drew, and the Junior Shipwreck Dance.

This year the Seniors brought back the Kid's Day which had been neglected for a few years. They also gave very successful dances and had the usual Senior Class Day at Dickson-Ives.

MR. OSBORN

With the help of "Doc" Osborn the Junior Class has had a very successful year. The Shipwreck Dance, a gala affair with appropriate decorations provided by Rutland's Men's Store and Dickson-Ives, was held at the city auditorium on February 18.

Even with war-time restrictions the class was allowed to have the annual Junior Class Day at Yowell-Drew. Part of the proceeds from this event were donated to the Tiger Den.

The highlight of the Juniors' activities for the year came when they gave the annual Junior-Senior Prom.

The Sophomore Class of 1943-44 participated in a great number of activities, under the leadership of President Harry Voorhis and the sophomore sponsor, Miss Evalyn McEntire.

An executive committee was chosen, composed of the four sophomore class officers: Harry Voorhis, President; Jo Ann Cloud, Vice-President; Beverly Burcham, Secretary; Nell Carter, Treasurer, and sixteen representative members: Jack Braham, Charlotte Scott, Marvin Wimberly, John Black, John Corkhill, Joel Wells, Barbara Jean Morgan, Barbara Maurer, Aileen Harding, Virginia Cheney, Harold Moore, Dick Leavitt, Marjorie Carey, Buell Duncan and Peggy Gatewood. This board acted in making decisions for the class.

Another project of the class was the sophomore bulletin, informing all class members of sophomore activities.

Part of the dues which were collected through the English classes was given to miscellaneous charity funds.

By advertising for the dance given at the Tiger Den, the sophomores assisted in promoting that senior project.

The high spot of the sophomores' activities was the annual sophomore May Day dance, which was climaxed by the crowning of the sophomore May King and Queen.

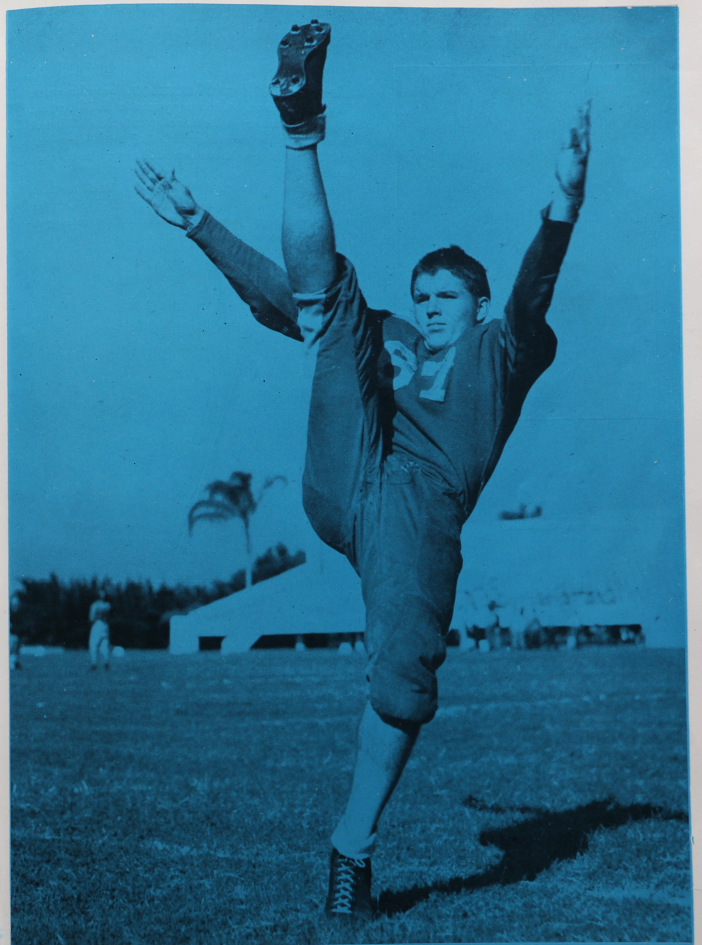
TIGERS!



"Zip" Hovater shows our boys real sportsmanship.

Coach Walter Hovater, better known as "Zip," holds the respect of every person in the high school. "Zip," who has been on the coaching staff since 1935, took his rightful place as head coach of all sports four years ago. Since that time he has served his boys sincerely and earnestly.

As a result of Coach Hovater's work, O. H. S. has taken its place as one of the Big Ten teams of Florida. Our thanks will always go to Mr. Hovater for his untiring efforts to help our school and our boys.

OUR FOOTBALL MANAGERS WERE: Bitsy Bitsinhauf, Buck Chamberlain, Oscar Cashwell.

Coach Reid is this year's addition to the Tiger mentor staff. When you ask an O. H. S. student his opinion of the new coach, the quick reply is "I've never met a better fella."

"Prof" Reid, as he is known to all, was born right here in the good ole "Cracker State." Before coming to our school to be Hovater's assistant with sports activities, "Prof" was head coach at the Ocoee High School.

It is certainly the hope of every student and teacher of O. H. S. that Mr. Reid is here for a long stay.

That smile of "Prof" Reid's is always there.

Co-Captains McCall and Wharton.

This year the Tigers faced one of the toughest groups of teams with which any Orlando High grid eleven has ever clashed.

Battling against these, the continually crippled Tigers of '43 desperately tried, though without avail, for Big Ten honors.

The Tiger coaching staff was well pleased with the write-ups given the team by the local papers. "When the boys see their names in the papers, they just naturally work harder," Coach Walter Hovater stated.

"Prof" Reid and Coach O'Neil discuss basketball plans.

This year's Orlando High basketball quint was under the leadership of the two well-liked, competent newcomers to the O. H. S. coaching staff, "Prof" Reid and "Pudge" O'Neil. Their fighting spirit inspired all who witnessed them in action. Though the team won no titles, Co-Captain Jimmie Yerger was chosen for the All-Star Big Ten team. In the semi-finals of the Big Ten Tournament the Tigers were defeated by Hillsboro High. Andrew Jackson, whom Orlando had defeated three times before, came up from behind to eliminate Orlando by the score of 33 to 29 in the Regional Tournament. This tourney, held in Orlando, rounded up the '44 basketball season.

FRONT ROW, LEFT TO RIGHT: Gene Rich, Jack Dyer, Jimmie Yerger, Ken McCall, Donald Jung. SECOND ROW: Stanley Tetenbaum, Bryan Murchison, Bobby Kendrick, Joe Ripley, Powell Sheffer, Oscar Cashwell. Managers: Elmer Atkins and Morris Harvey.

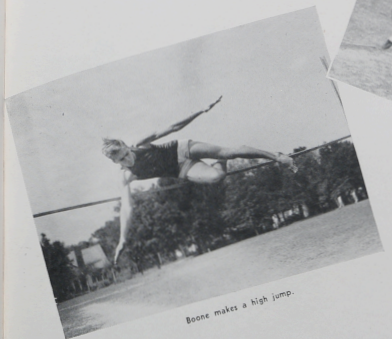
COACH O'NEIL

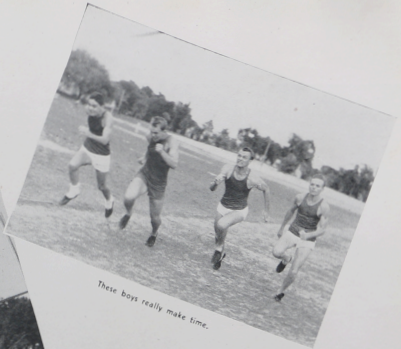
In leaving basketball thoughts are turned to track —the sport made famous by the early Greeks and Romans. The '44 team of O. H. S. had only a few of the lettermen back from last year but it had a large group of enthusiastic newcomers. This green, but promising material, was trained by Coach "Pudge" O'Neil who lends a "bit of 'ole blarney" to our coaching staff. Although he is new to us, we of O. H. S. have learned to like and respect Mr. O'Neil.

On your mark!

Bill and Bobby clear the hurdles.



Boone makes a high jump.



These boys really make time.

FIRST ROW: Kendrick, Batten, Finley, Harper, Milton. SECOND ROW: Van Steenburg, Pittman, Boone, Judge, Jones.

Take Me Out

COACH REID

The Bengal nine started the '44 season with only several of last year's varsity members. These, along with the new boys, were put in shape by "Prof" Reid. The pitching staff consisted of Davis, Willsey, and Chamberlain who, with the backing of their fellow players, met such teams as Andrew Jackson and Landon.

A great deal of credit is due "Prof" Reid for his accomplishments of the year. In taking over a job which carried much worry and responsibility, he has proved his ability to command the respect of his boys.

To the Ball Game . . .

"Buzzy" goes after a high one.

Willsey and Davis warm up.

The Boys' Varsity Club, which originated fourteen years ago, is one of the outstanding organizations of the school. In order to be eligible for membership a boy must have been awarded a letter in one of the major sports—football, basketball, baseball, or track; then he must be voted in by the members. The Varsity Club sponsors the football programs and handles concessions during basketball and baseball season. Through these they are able to obtain money for their treasury. It has always been the custom of this club to make special awards to graduating seniors who have three or more letters. This year the awards were made in the form of a trophy. At the close of each year the members and their dates are entertained with a picnic at Sanlando.

The foremost aim of the Girls' Varsity Club is to promote athletic interests among O. H. S. girls. Sportsmanship, scholarship, health, friendship, and co-operation are points upon which the club is based. Girls who earn thirty points by participating in Girls' Intramurals during the first semester are awarded school letters and taken in as new members in the middle of the year.

This team, headed by Doris McLelland, won this year's volley ball intramurals when in the final bout they defeated Betty Ann Leach's team. Over ninety-five girls turned out for the 1943 season of volley ball.

Led by Gladys Gemeinhardt, this team copped the championship title in basketball intramurals for 1944. By a score of 21-15, they defeated the second place team of Peggy Sawyer.

LIGHTS!

MUSIC!

CURTAIN!

Curtain call for the "Gay Nineties" and the "Western" Revues—those two sparkling hits of this year!

That gay, rollicking variety show, "The Gay Nineties Revue," original dances by Paul Harris and Mary Sargent and oodles of pretty girls gave five performances to capacity audiences. The show was particularly designed to play at service clubs. Good enough to rate national recognition, "The Gay Nineties" was discussed in a complimentary article in the March, 1944, issue of "The High School Thespian."

"The Western Revue," full of rip-roaring, rambling western rhythm, pistol packin' mamas and a little touch of that exciting, colorful Mexican tempo, was another smashing five point hit.

Miss Mildred Murphy, head of the Dramatic Department, and Mrs. Jane Ley Chapman, head of the Music Department, directed the shows. Mr. Harry Parker, band master, and the O. H. S. band arranged and furnished the music. Finances and advertising were managed by the Forensic League, under the able direction of Mrs. Irene Lighthiser, sponsor of the League. To these four departments we are indebted for these splendid performances.

"The Play's the Thing"

Twenty performances were given by the Seminoles this year at school, at the Service Men's Club, and at the AAFTAC Hospital. Among the outstanding plays were: "Jinx From Alabama," "Alice Blue Gown," "Gay Nineties Revue," "Bird On the Wing," "Little Red School House," "Ladies Alone," "Western Revue," "Brother Goose," and "Spring Spice Box."

During the five years since its organization in 1939 the O. H. S. Band has maintained an enviable record of First Division, Class "A" ratings in all contests entered.

This year the band has played for parades, for Bond, Red Cross, and Community Chest Drives, for Service Men's Clubs, hospitals, for civic organizations, and, in fair weather or foul, cheered football teams and thousands of spectators with band shows and drills. In fact, the roster included eighty-five performances!

Highlights of the season were the State Adjudication, and the Annual Concert at which Conductors Henry Fillmore, Victor Grabel, and Ernest Pechin were guests.

Tiger Den

The first we heard of it was some time in September, and we thought it a good idea then. And the more we thought about it and talked about it the more we knew something had to be done. Positively, everyone agreed. It was true—we high school students needed some place of our own—a club—where we could go for good, clean fun. The P.-T. A. and the Senior Class went to work. A committee was selected, tickets were sold, generous contributions came from merchants and parents, and a hall was hired. For weeks we scrubbed, painted and decorated until all was ready for the gala opening on the night of February 25. Our success showed us what can be done by working together.

The Orlando Chapter of the National Forensic League has the distinction of being the first in the state to receive a charter from this national organization for the recognition of high school speech work. On February 2, 1941, Orlando N. F. L.'ers celebrated their sixth anniversary with a banquet and kid party. Mary Sargent, as the schoolmarm, was toastmistress; others came as six-year-olds, attending their first day of school.

Because of wartime travel restrictions, debating had to be curtailed, but debates were held with the high schools in Miami and Jacksonville. A year of school and community service included a Speakers' Bureau for the Red Cross, publicity and business management of "The Gay Nineties Revue" and "The Western Revue," sponsoring a school forum, presenting public programs on Peace and War Aims of the United Nations, and furnishing student speakers for commencement.

Under the sponsorship of Mrs. Irene Lighthiser, a charter member, the Orlando chapter has held its rating of the strongest chapter in the Appalachian District for the school year 1943-1944.

The League is to be congratulated for winning the State Debate Championship at Miami, March 21. On the teams were: Don Burkhardt, Virginia Henderson, Mildred Searles, Paul Harris, Ann Carter, Pat Pattishall, Mary Sargent, Betty Dot Galbraith, Eleanor Compton, and Sonny Benz.

The members, according to N. F. L. rating, are: Sonny Benz, Pat Pattishall, Jolene Helms, Mary Sargent, Mildred Searles, Virginia Henderson, Jean Barnes, Sidney Ives, William Jellison, Peggy Sutton, Nancy Dendy, Iris Swearingen, Jimmy Pittman, Jim Boyles, Fred Turner, Ann Carter, Eleanor Compton, Betty Dot Galbraith, Paul Harris, Bill Dunn, Mary Alice Cooper, Barbara Jean Morgan, Beverly Cummins, Beverly Marsh, Petey Burkhardt, Sonny Voorhis, and Dot Porter.

Among its worthy activities was the collection of contributions for the tuberculosis fund, the American Red Cross, the Jacksonville Children's Home, and the March of Dimes. Various athletic teams and the Miami Edison Cadettes were entertained by the Council during their visits here. The Student Council committees have checked the point system, supervised elections, maintained a school calendar, sold tickets to athletic events and kept a record of all O. H. S. boys in service. And as a special message to these boys in the service the student body, through its leaders, has invested thousands of dollars in War Bonds and Stamps. "Tiger Talk"

JOURNALISM CLASS

Each Wednesday afternoon this year "Tiger Talk," the student page of the Orlando Reporter-Star, went to press. Until late in the afternoon members of the journalism class could be seen busily typing articles or writing last minute news and gossip as Mrs. Leanora Furr, sponsor, answered questions and sharpened her blue pencil. The many readers of "Tiger Talk" look forward eagerly each week to chats with the "Gruesome Twosome" (Joan Proper and Libby Dent), Kit and Kat (Shirley Thompson and Mary Thomas), Snoop 'n Sue (Betty Ann Balthrop and Gene Caswell), Fairlie and Squarely Dunn (Marjorie Purcell and Shirley Whitton), Tattle Tale (Mary Bell), Pete and Repete (Roberta Haley and Joyce Peurifoy), Foo and Woo (Betty Murchison and Dorothy Tegder), Who's What (Pat Ogden), and the Roving Reporter (Shirley Thompson). Shirley Whitton wrote Memorial Junior High news, Ona Barfield reported Cherokee news and sports were "doped out" by Jimmie Davis. Jolene Helms and Alex Hawkes turned their efforts toward creative writing. Alex has had a number of articles accepted by "The American Orchid Society Bulletin."

Not only does "Tiger Talk" furnish practical experience for students of journalism, but it serves as a means of acquainting the public with the work of Orlando schools.

'Way last fall we began planning for the 1944 TIGANDO, and dreamed of the kind of annual we hoped to make for you. As the days slipped by we were swept along by the crescendo of work. Quiet interviews, discussions, and staff meetings soon gave way to more pressing business: photo dates with Mr. Falls, pounding the pavement for last minute ads, selecting quotations, meeting deadlines, waiting for photos, and finally mailing the "dummy," page by page. Now, tired and happy, we have finished and here is your annual. What fun we have had—and what good sports all of you have been! The staff sincerely hopes you will enjoy it as much as we did making it.

Although Pat and Shirley, her Girl Friday, found mountains of work to do, they discovered that mountain climbing is fun after all.

And the staff woke up to the fact that they too had formed new habits.

Jim and Betty just can't stop taking pictures or Cleo drawing them. In case you are looking for Bobby you'll find him still out getting ads, while Petie knows now how to do everything from keeping books to mailing dummy sheets.

We wonder if Cleona will ever collect enough money, if Ann M. and Susannah will always be able to keep secrets, and if Jimmy and Roberta will ever miss a game?

Sssh! Or you'll be quoted by Ann A., Nancy or Al!

Don't look now but that "triple threat," Sissie, Betty Dot and Eleanor, is stalking a club secretary as Ralph, Harry and Sidney Webb steal candid shots.

All of this and the typing too—by Gene, Dulcie, and Gloria.

The staff appreciates the guidance and helpful co-operation of the sponsors, Mr. Schoffield, Miss Thomas, Miss Snodgrass, and Mrs. Carter.

The Optimist Creed

PROMISE YOURSELF

TO be so strong that nothing can disturb your peace of mind.
TO talk health, happiness and prosperity to every person you meet.
TO make all your friends feel that there is something in them.
TO look at the sunny side of everything and make your optimism come true.
TO think only of the best, to work only for the best and to expect only the best.
TO be just as enthusiastic about the success of others as you are about your own.
TO forget the mistakes of the past and press on to the greater achievements of the future.
TO wear a cheerful countenance at all times and give every living creature you meet a smile.
TO give so much time to the improvement of yourself that you have no time to criticize others.
TO be too large for worry, too noble for anger, too strong for fear, and too happy to permit the presence of trouble.
